Welcome to our August's members' update! We have some important news to share so keep reading attentively!

The newsletter is specifically created for you, our active member societies and partners, to stay up to date with what's going on at ISE. We would be delighted if you could share our news in your society's communication channels. If you would like us to share your news with the global endocrine community, send your proposals at [office@isendo.org](mailto:office@isendo.org)
