

Your monthly dose of **ISE news**

In this month's Newsletter we want to share with you some great news and novelties within ISE, so keep reading to find out what we have prepared for you. We continue to grow our Global Education Hub with brand new and interesting content. We met with one of the ISE's inspiring and motivated young endocrinologists - Rakesh from India- in our new section: ISE Voices. And last but not least we share with you how to support an important global campaign with our partner ICOSEP.

EVENTS

Extended deadline for the ISE CME Program - **submit your event by 1 November!**

If you are hosting an event in 2020 and you would like to get endorsement or support from ISE, you can do so now by participating in the ISE CME Program!

We have developed new guidelines on the types of events that we support and the type of support that we can offer so send us your proposal by **1st November!**

Learn more on the program and how to apply on the link below!

ISE NEWS

ISE Voices from around the world - Meet Rakesh Kundu from India

Every month, ISE meets with endocrinologists all around the world to learn more about their interests and specialization. Today we met with

Rakesh Kundu, an Assistant Professor from Visva-Bharati University, Santiniketan, India.

What is his connection with ISE and what did he share with us - learn more from the full interview on the link below!
