

The newsletter is specifically created for you, our active member societies and partners, to stay up to date with what's going on at ISE. We would be delighted if you could share our news in your society's communication channels. If you would like us to share your news with the global endocrine community, send your proposals at <a href="mailto:office@isendo.org">office@isendo.org</a>

#### **ISE UPDATES**

# Call for Early Career clinicians and researchers to join the Early Career Committee of ISE

Dear Colleagues,

In its strategic plan, ISE has defined a priority to focus on development opportunities for the future generation & emerging leaders in global endocrinology.

Therefore, we are now seeking your Society's nomination to constitute a new committee of early career clinicians and researchers that ISE has set to establish according to its strategic plan: the Early Career Committee (ECC ) of ISE.

We would like to involve our national members' societies in this process and ask you to provide a minimum of one and a maximum of three names of young endocrinology practitioners and-or researchers.

Click here to read the full call >>

# **Meet the new member of ISE - Emirates Diabetes Society**

Recently ISE grew with another member - welcome to the Emirates Diabetes Society.

The Emirates Diabetes Society is the primary medical society in the **United Arab Emirates** and its primary objective is to increase public awareness and encourage health improvement, promote the exchange of high-quality information about diabetes, and provide

education for people with diabetes and their healthcare providers.

Learn more about the society and its activities on the link below!

جمعيـة الإمـارات للسكرى
