

Your monthly dose of ISEnews

Here is our second newsletter edition, to stay up-to-date on what's going on at the International Society of Endocrinology (ISE). If you have any suggestions, ideas or feedback you want to share, please send it to office@isendo.org. We are always happy to hear about how we can improve our services and make sure we remain relevant for you. Don't forget to follow us on social media for the latest updates:

Education Hub receives EACCME accreditation

We are happy to share the great news that our recently launched [ISE Global Education Hub](#) is now accredited by the European Accreditation Council for Continuing Medical Education (EACCME). 1 European CME credit (ECMEC®) will be awarded for each hour of online learning (*60 minutes of actual e-learning excluding introductions etc.*). EACCME credits can be converted to an equivalent number of *AMA PRA Category 1 Credits TM*.

Webinar Series on type 2 diabetes management

The management of type 2 diabetes continues to evolve with new treatment options improving glycemic control and dramatically reducing the risk of diabetic complications. This interactive webinar series has assembled a panel of diabetes experts to discuss new and emerging treatment options and their impact on individualized care. Sign up for the session on 8 April 2019, Noon EDT.

ICE 2020: save the date

ICE 2020, 4-7 October 2020, Buenos Aires, Argentina

Make sure you save the date for our ICE 2020 congress that will take place from 4-7 October 2020 in the beautiful Argentinian capital Buenos Aires.

Watch the video below to get a flavor of Argentina!

Program Organising Committee appointed

With representatives from the 3 hosting parties and chaired by International Co-Chair Susan Webb (Spain) and Co-Chair Ariel Sanchez (Argentina), the committee will get together at the end of June to build the main outline of the program.
