**GHD Diagnosis and Management:
Who to test and how to treat?**

Tuesday, 11 May 2021, 1-2 pm CET

(check your local time on the registration link)

The second webinar of our 4-webinar series on Growth Hormone Deficiency 2021 is coming up soon.

In this session, our experts will discuss the current recommendations when deciding what patients to test for GHD, review the validated tests for the diagnosis of GHD and their interpretation, consider the important interactions between GH with other hormone axes, and assess strategies for evaluating efficacy and safety in long-term management.

Don't miss the opportunity to meet Prof. Ken Ho and Prof. Cheri Deal in this interactive session; save your virtual seat today using the link below!

WEBINAR
