## ICE 2020 - Work in progress

Dear colleagues,

Through this update we want to inform you on the work that's already ongoing for the next International Congress of Endocrinology, ICE 2020. ICE 2020 will take place from 4-7 October 2020 in beautiful and lively Buenos Aires, Argentina. Make sure to mark these dates on your calendar!

The Program Organising Committee has been fully appointed and we will get together in June to build the main outline of the program. For this purpose we are requesting **your support** to provide those topics that matter to you most, in order to build a diverse and relevant program for our delegates.

Continue reading to find out how to provide your suggestions!

We appreciate your time and look forward to receiving your important input and to seeing you next year in Buenos Aires.

Saludos cordiales / kind regards,

**Susan Webb, Co-Chair & Ariel Sanchez, Co-Chair**

### **ICE 2020 - Meet our International Program Organising Committee members**

ICE 2020 will be a true national, regional & international collaboration, as we will be hosting the 19th International Congress of Endocrinology, the 13th congress of the Federacion Argentina de Sociedades de Endocrinologia (FASEN) and the 4th Latin American Congress of Endocrinology (CONLAEN) all at the same time!

The Program Organising Committee (POC) is compiled of representatives from the 3 hosting parties and we want to thank all ISE members for nominating their local candidates to take part in the POC.

### ISE membership dues 2019

We have started the membership renewal process for this year. You should have received your invitation to renew via email.

If you have not received the renewal invitation, if you have changes to report or if you have any other questions, please do let us know by contacting [membership@isendo.org](mailto:membership@isendo.org).

## Education

Our ISE Global Education Hub is now EACCME accredited!

We are happy to share the great news that our recently launched [ISE Global Education Hub](#) is now accredited by the European Accreditation Council for Continuing Medical Education (EACCME). 1 European CME credit (ECMEC®) will be awarded for each hour of online learning (*60 minutes of actual e-learning excluding introductions etc.*).
