

## Your monthly dose of **ISE news**

In this month's Newsletter, we talk about our new appointment in the ISE Family - a new Education Editor, who will help to extend further and grow ISE's educational projects. Our second Webinar is coming in December so make sure you register early as the number of seats is limited! And last but not least we share with you one great story and a new project of ISE that connected two countries in order to support the training of a young endocrinologist from Mozambique. Keep reading to find out more!

### ISE NEW APPOINTMENTS

## Welcome to the ISE Family! New ISE Education Editor - Dr. Sanjay Kalra

We are happy to announce that **Dr. Sanjay Kalra, Vice president of the South Asian Federation of Endocrine Societies (SAFES)** and contributor to the Indian Journal of Endocrinology and Metabolism (IJEM), has been recently appointed as the **new ISE Education Editor**.

Along with Dr. Syed Abbas Raza, he will form part of the ISE Editorial Committee to help with the development of ISE's educational curriculum and materials.

## ISE EDUCATION

### Join the second **Webinar of ISE** in partnership with the **World Alliance of Pituitary Organizations (WAPO)**

Join us for the second joint Webinar of ISE in partnership with the World Alliance of Pituitary Organizations (WAPO) on the topic:

During this interactive debate, **two Key Opinion Leaders** will talk about the common symptoms of Adult GHD, the lack of consensus on the preferred diagnostic model, the common controversies around starting dosages and much more! Join the Webinar and you will also witness **a patient testimonial** that will give you an insight into **how it is to live with adult growth hormone deficiency** and how the patient experiences the communication with their doctor.

**WHEN:** 13 December, 12:00 UTC

**SPEAKERS:** Jens Otto Lunde Jørgensen (Denmark), Gudmundur Johannsson (Sweden)

### How ISE is supporting the development of Endocrinology **in Mozambique?**

We are happy to announce the start of our first **ISE global outreach program** with the help of which in 2020 **Dr. Hidayat Kassim from Mozambique, province of Zambezia will start a training in the beautiful city of Buenos Aires**, in the Churruca Hospital (Complejo Médico

Churruca-Visca).

Thanks to the great efforts of the Argentinian endocrine community, in particular, Prof. Eduardo Pusiol and Prof Ruben Lutfi, Dr. Hidayat Kassim will be able to finish his specialization and then return to his country to develop endocrinology practice.

Learn more about the project and how ISE supported the connection between the two countries on the link below!
