## ISE CONGRESS

### ICE Virtual 2021: our first virtual congress turned to a great success

ICE Virtual 2021 was held from 24 to 28 February and we are very happy to share with the great success of the meeting! More than 2800 delegates registered and enjoyed the excellent scientific program, the interaction with speakers and the networking with their colleagues!

We thank our partners FASEN and FELAEN, the Program Organizing Committee who all worked very hard to make the congress a success, all speakers who joined us live from all around the world no matter the time difference, and our industry partners for their support.
